

# QUICK START GUIDE

Connect your box to TV and power

NOTE: Please refer to your Use and Care Guide for detailed instructions.

## Important safety instructions

- Please read and keep this user manual.
- Do not expose your set-top box to rain, moisture.
- Do not install your set-top box near any type of heat source and do not expose to direct sunlight.
- Place your set-top box with the logo facing upwards, to avoid dust getting in through the ventilation holes.
- Do not remove the plastic casing of your set-top box or make any other modification. Refer all servicing to qualified personnel only.
- Only use the accessories included or recommended by the manufacturer.
- Keep set-top box away from small children.
- Protect the power cord from being walled on or pinched.
- Take care to place batteries into remote control correctly.
- Please dispose of used batteries properly, following local regulations.
